SUMMARY

Computer Software and Cyber Security student at the American University of Kurdistan with internship experience at Shahan Company. I am a motivated team player who is adaptable, creative, and always willing to learn. I like solving problems and improving my skills through real projects and volunteering activities.

EDUCATION

American University of Kurdistan (AUK) — *B.A. in Computer software and cyber security*
Expected 2027

EXPERIENCE

AI Model Evaluation / Prompt Engineering

2026

- Designed and tested prompts to evaluate AI model responses across different scenarios
- Assessed accuracy, clarity, and relevance of outputs and identified weaknesses
- Refined prompts to improve response quality and consistency
- Documented findings and suggested improvements for better performance

Shahan Company — *Intern*
June 2025 – August 2025

- Completed 135 internship hours over 8 weeks working on real website projects.
- Helped design and improve front-end layouts to make websites more user-friendly.
- Used HTML and CSS while learning responsive design techniques.
- Worked with a professional team and learned how to meet deadlines and client requirements.

Student Life Organization, Sabis School — *Volunteer*

- Actively took part in organizing and managing various school events to enhance student engagement and community building.

Mental Health Awareness Campaign, American University of Kurdistan — *Volunteer*

- Helped in raising awareness and promoting mental health resources across the university.

Teacher's Day Celebration, VolunteerKRD — *Volunteer*

- Helped plan and execute events to honor and appreciate teachers, contributing to a successful celebration.

Graduation Ceremony, American University of Kurdistan — Volunteer

- Volunteered in organizing and coordinating the university's graduation ceremony, ensuring a smooth and memorable event for graduates and their families

HacAUK Club — Vice President / Treasurer

- Was Vice President and Treasurer of HacAUK Club, contributing to leadership, planning, and financial organization of club activities.

University Library Tutor — Academic English & IT 2023 – 2024

- Provided tutoring support to students in Academic English and basic IT/computer skills
- Assisted students with assignments, research, and understanding technical concepts
- Helped improve communication, problem-solving, and teamwork skills through one-on-one guidance

Social Media Account Manager — School Organization 2021-2022

- Managed and created content for a school social media account
- Assisted with posting updates, event coverage, and student engagement content
- Helped maintain consistent communication and online presence through digital platforms
